The sign of real traction!

The world famous wedge grip of the original o-p-e-n c-e-n-t-r-e Sure-Grip Tractor Tyres by Goodyear is your guarantee of "the greatest pull on earth."

The driving power of your tractor is converted to *pulling* power through your tyres! Driving wheels must be fitted with tyres that will BITE into the soil.

The RULER-STRAIGHT unobstructed lug bars of SURE-GRIPS take a clean bite and work full length and depth into the soil. The self-cleaning action of the tread leaves the lugs clean for another bite.

Study the tread — you'll see for yourself.
